School Self-Evaluation Digital Media Update May 2018

In the last year we have looked at...

Refurbished old dell pcs in m4

Completely refitted pcs in T3 and introduced a cable management system

Equipped T1 was a computer lab for LCA students

Introduced individual sign on for all teachers and students

Introduced same sign on for first year students

Assisted with the introduction of electronic payslips

Equipped 4 classrooms with new data projectors, currently in the process of equipping 4 more rooms over the summer holidays

In the process of introducing print management to all students

WiFi has been deployed through the school

This is what we did to find out what we were doing well and what we could do better:

Audited equipment

Sought teacher and student feedback in relation to ICT needs

Liaised with Kerry ETB regarding best practice

Sought teacher, parent, student and Kerry ETB feedback on ICT needs/BOYD policy

This is what we are now working on

Currently in the process of equipping 4 more rooms with data projectors over the summer holidays

In the process of equipping B3 with new pcs

In the process of introducing print management to all students
